

Geo Adventures is a family business, located in the city of Copiapó and carries out its operations within the Andean and coastal territory of the Atacama region. What part of the regional tourist offer, we seek to maintain a constant commitment to Sustainability, addressing within these aspects:

- ✓ We do not support or encourage tourism of sexual and commercial exploitation of children, adolescents and people in general. For this, we are committed to and adhere to the Code of Conduct for the prevention of ESCNNA.
- ✓ We are committed to the 10 principles of fair trade and seek to adapt our trade measures around it.
- ✓ We respect the diversities of gender, nationality and native peoples and we promote non-discrimination in our hiring, relationships with suppliers and customers.
- ✓ We seek to constantly train ourselves on issues related to tourism quality and sustainability in order to improve our services.
- ✓ We support respect for the cultures, customs and biodiversity of the place where we carry out our operations, taking measures to minimize risks to the community and nature.
- ✓ We promote to our clients the dissemination of the responsible tourist code and to our suppliers, the manual of good sustainable practices.
- ✓ We care about guaranteeing safety and risk prevention in the activities we carry out with our clients.
